Mobile Communications

807 East 29th Street, Lawrence, Kansas 66046

sales@brownspecialtyvehicles.com

Brown Mobile Communications Vehicles keep you connected wherever you happen to be deployed.

From emergency management command/communication centers to radio and video production and transmission facilities, to communication relay facilities, we keep you connected to the world.

- full-featured communication center
- basic communications center
- galley area
- rear light tower

Like all Brown Specialty Vehicles, our mobile communications vehicles are available in a number of different equipment configurations, including fifth wheel and pull-tongue trailers and different cab and chassis combinations with a Brown Custom Module.
