Medical Screening

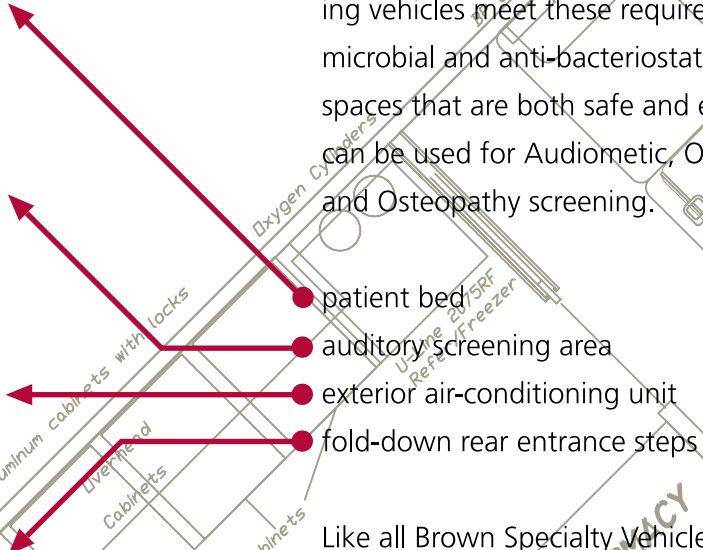

807 East 29th Street, Lawrence, Kansas 66046

sales@brownspecialtyvehicles.com

Do you need a medical screening vehicle for audio, optical or other testing that meets OSHA standards?

A clinic that can withstand the demanding schedule of a mobile unit? Brown Mobile Screening vehicles meet these requirements and more, with anti-microbial and anti-bacteriostat interiors to create a workspaces that are both safe and easy to maintain. Our bodies can be used for Audiometric, Optical, Dental, Mammography and Osteopathy screening.

Like all Brown Specialty Vehicles, our medical screening vehicles are available in a number of different configurations, including fifth wheel and pull tongue trailers, light duty pickup trucks, Cutaway vans, Medium duty conventional cab chassis, medium duty cutaway cab chassis, and bus and motor coach chassis, all using a Brown custom module body.
